

Rules of the Rack

- For safety reasons, the driver cannot get off the bus to assist you.
- Certification is not required to use the bike racks.
- Bike racks are first come, first served.
- Each bus can carry two bikes. Bikes are not permitted inside buses.
- There is no additional fare for using the bike rack.
- Children 11 and under must be accompanied by an adult to load and unload bikes.
- Bike racks are for single-seat, two-wheeled bikes only. Motor-powered vehicles are not permitted.

VALLEY TRANSIT'S BIKES ON BUSES PROGRAM

Transport your bicycle on any bus
equipped with a bus-bike rack.

**For more information or to schedule a time
to learn how to use the bike racks before
you travel, please contact Valley Transit:**

Phone: 920-832-5800

TTY: 920-993-7083

IT'S EASY!

Loading Your Bike

As the bus approaches have your bike ready to load; remove any items that could fall off (bike pump, water bottle, etc).

Always approach the bus from the curb side.

Tell the driver you are loading a bike.

1. Squeeze the metal handle up to release the latch and fold down the bike rack.

2. Load your bike onto the rack, putting the front and rear tires in the marked slots.

Please make sure to load the rack nearest the bus first.

3. Raise the support arm, as far up on the wheel as you can.

Make sure the support arm is resting on your front tire, not on the fender or frame.

Unloading Your Bike

Before exiting the bus, tell the driver you need to unload your bike.

Move the support arm down and lift out your bike.

Please remember to fold up the rack if it is empty.

SEE YOU ON THE BUS!

You can also visit the Valley Transit Administration Facility to learn how to use the bike racks before you ride. To set up an appointment, please call 920-832-5800.
