2. Most people need 2 buses to get where they want to go:

One bus from your starting location to the Transit Center, and a second bus at the Transit Center to get to your destination.

3. Each bus route leaves the Transit Center one time each hour. (Exception: Route 9)

Tell the driver the bus you need at the Transit Center. The driver can help you.

6. Each bus follows a different route. All routes start and end at a Transit or Transfer Center. (Appleton, Neenah, Fox River Mall)

- If you stay on any Valley Transit bus, you will return to one of these Centers.
